Standards and Behaviour

Behaviour	<p>Disruptive pupils affect the learning of others due to their behaviour. If a disruptive pupil costs another pupil an hour of learning per day this would equate to 38 days (or nearly 8 weeks) per year and this will not be tolerated. Pupils who disregard the standards of behaviour expected of them or behave in an anti-social manner will receive appropriate sanctions.</p> <p><u>Detentions</u> Will be given to pupils whose effort, attitude or behaviour fall below the expectations of staff at Broadoak School. Staff may detain pupils at lunchtime or after school for up to 30 minutes without giving notice to parents, although the school endeavours to inform parents of every detention.</p> <p>At Broadoak we will continue to operate a 'Remove' model where pupils are removed from the lesson if they continue to disrupt despite verbal warnings from staff. Pupils who are removed from lessons and those who self-remove will automatically receive a 1 hour after-school detention.</p> <p>A serious view is also taken of any anti-social behaviour committed by our pupils on the way to or from school.</p> <p><u>Covid 19 Guidance</u> Pupils who:</p> <ul style="list-style-type: none"> • Spit, purposely cough in another persons' vicinity or other deliberate behaviours that increase the risk of spreading infection e.g. disposing of used tissues in an unsafe manner • refuse to adhere to social distancing measures e.g. 1m rules • display behaviour that is purposely contrary to the Covid 19 control measures in place • leave the classroom without permission <p>...will be sent immediately to student services and further disciplinary action will be taken. Please see the Behaviour Policy Addendum on the school's website.</p>

Safeguarding	<ul style="list-style-type: none"> • We understand that pupils may have had different experiences during the Coronavirus pandemic and that this may affect how the pupils reintegrate into the school environment and its routines. There will be an induction session on the first day back to support this. • We are also acutely aware that many children will be hugely anxious over the return to school and the new rules, routines, measures. Support strategies and activities will assist with these issues. • Please note that TAs will be in the classroom to support pupils' learning but will not be able to sit as close to the children as usual. • Members of the safeguarding team will be available for pupil meetings where requested.
