

Update on Face Coverings

Broadoak School is located within a local lockdown area and will therefore be following the latest Government guidance with regards to face coverings. The expectation is that all staff and pupils will wear face coverings when moving around the school buildings e.g. on corridors and in communal areas where social distancing is difficult to maintain. Face coverings will not be worn in classrooms, unless in exceptional circumstances in agreement with the Headteacher.

Face coverings will not need to be worn by pupils and staff when outside at break and lunch or when they are eating. It is the responsibility of parents / carers to provide a face covering. Please ensure that they are plain in design or have a simple pattern with no logos / messages. Pupils should also be provided with a sealable plastic bag in which to store the face covering when it is not in use. Please find a link to a World Health Organisation's short video - 'How to wear a fabric mask safely'
